

SCIENCE FOR A SUSTAINABLE FUTURE

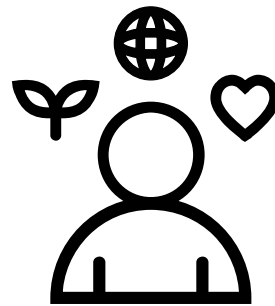

FACULTY OF AGRICULTURE AND FORESTRY

**WE ARE A MULTIDISCIPLINARY COMMUNITY FOCUSED
ON SUSTAINABLE USE OF RENEWABLE RESOURCES**
GLOBALLY LEADING, NATIONALLY UNIQUE

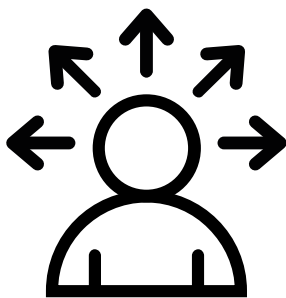

**We produce new research-based
scientific knowledge and apply it to
the needs of society**

- Independent high-quality science
- Skilful scientists and teachers

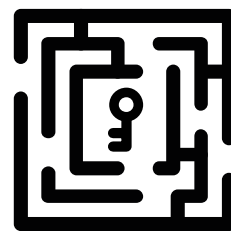

**We educate open-minded and
responsible students**

- Distinguished experts, managers,
researchers and entrepreneurs

**We provide knowledge base,
initiatives, innovations, solutions
and partnerships**

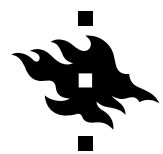

**We build solutions to sustainability
challenges and development of a
sustainable circular bioeconomy**

OUR VISION
2030

**THE FACULTY IS FORERUNNER
IN RESEARCH AND EDUCATION
ON THE SUSTAINABLE USE OF
RENEWABLE RESOURCES**
